riverside JUNIOR WOMAN'S CHARITY

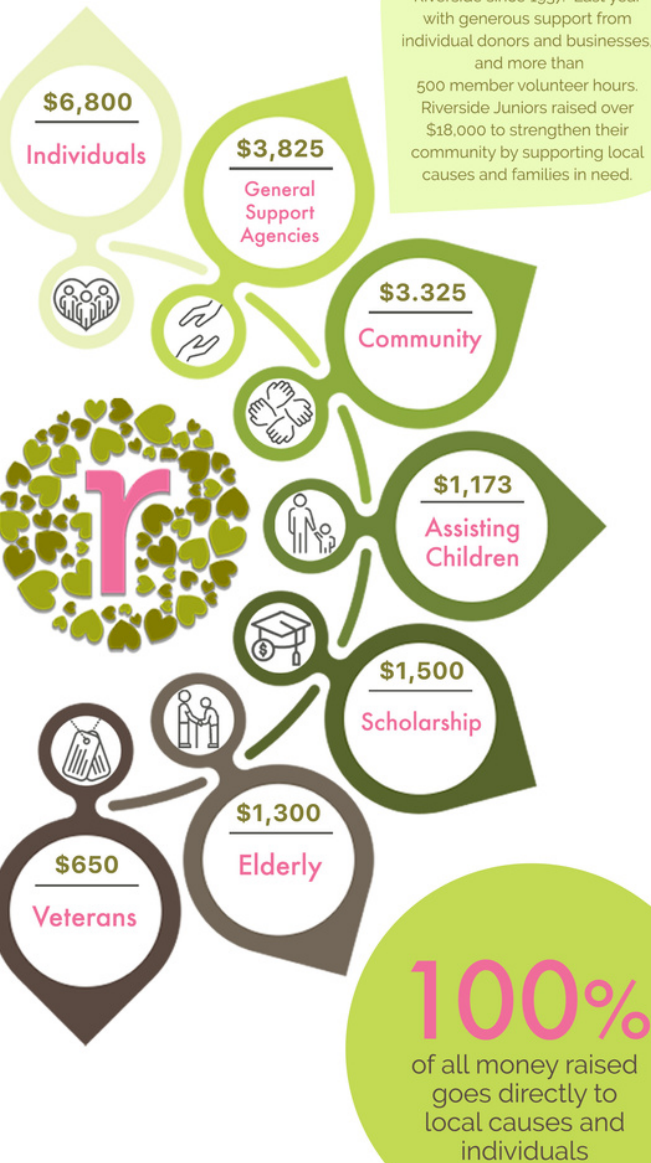

2021-2022 Highlights

\$18,000

went to the following causes:

The Riverside Junior Woman's Charity (Riverside Juniors) has been an active philanthropic organization in the Village of Riverside since 1937. Last year with generous support from individual donors and businesses, and more than 500 member volunteer hours, Riverside Juniors raised over \$18,000 to strengthen their community by supporting local causes and families in need.

PICK THE SPONSORSHIP THAT IS RIGHT FOR YOU

If your business or organization is interested in making a financial contribution to Riverside Juniors, we invite you to read through our options or contact us at sponsor@riversidejuniors.org. Partnership levels range in size from \$300-\$3000 and offer various opportunities for advertising exposure via print, media, and social media outlets.

DONATE TO OUR EVENTS

Do you have a product or service that you would like to donate to Riverside Junior Woman's Charity? Our events are made successful by keeping our costs low, allowing us to maximize our dollars to give. As such, we benefit greatly from space, food, drinks, and other services like rental equipment, transportation, and printing.

RAFFLES & AUCTIONS

We also hold raffles and auctions throughout the year, which contribute to our fundraising significantly. Particularly, during this time of social distancing, our ability to hold online raffles and auctions will be important for us to maintain our levels of support to the community. If you have products, services, event tickets, or other experiences / talents / offerings, that you or your organization would be interested in contributing, we are always very grateful.

To inquire about any of these giving options, please contact us at sponsor@riversidejuniors.org for a prompt reply.
